PRICING

Once we receive all information from you, we can narrow down an exact price per student. To give you an estimate, we have provided some examples below. The costs below reflect money owed to Innovative Choreography. Please note we are able to add on additional costs to each dancer if you would like your studio to profit from hosting an Innovative Intensive (ex: \$5 per dancer to cover utilities and room usage).

- *4 classes/hours: \$75 per dancer
- *6 classes/hours: \$100 per dancer
- *8 classes/hours: \$140 per dancer

If you are located 30-200 miles outside of the Kansas City area and have less than 40 dancers attending, the price per dancer will be increased to cover travel costs. If you are located more than 200 miles from the Kansas City area, the price per dancer will be increased to cover travel and lodging costs.

A \$200 deposit is required to reserve your dates. Your deposit can be applied to your total studio cost or can be refunded to you if you prefer each dancer to pay Innovative Choreography directly.
