Focused Technique

Each team lists 5 skills they would like to work on throughout the course of camp. The Focused Technique class is done with your team.

All Around Innovative

This is an optional component of camp for all dancers. Dancers who choose to participate will learn a short jazz combination (no longer than 8 eight-counts). Participants will compete for the title of "All Around Innovative Dancer." Selected winners will receive a scholarship!

Innovative Leaps / Kicks / Turns

Dancers will compete across the floor to earn the title of "Innovative Dancer" in leaps, kicks, or turns. This component of camp is wonderful practice for auditions.

Time to Shine Evaluations

Each team performs the Camp Dance for the Innovative Staffers. Dancers will also have the option to perform an Innovative Combo Class Routine and receive feedback from an Innovative Staffer.

Pom Motion Mania!

A quick-paced game that focuses on correct pom motion technique. Think "Simon Says" for dancers!

Innovative Choreography Class

Have you ever wanted to create your own routine? In an Innovative Choreography Class, our Staffers will help you develop your abilities to plan, create, and execute your own choreography.
